Heart of the Hill News

Your Community. Your Voice.

There are several ways to help on the big day:

- Volunteer to pick up litter at a site
- Sign in volunteers at a cleanup registration site
- Transport litter bags (*requires a pick up truck*)
- Monitor dumpsters

To learn how to get involved please contact Jarvis at jbrown@cactricounty.org or 717-232-9757 ext. 121. It is also a perfect opportunity to earn community services hours while making a difference in your neighborhood.

Last year, over 300 volunteers removed over 23 tons of litter, tires, and e-waste from our capital city in a single day!

You can register for the clean up at <https://bit.ly/2Hs7Y2n>

I am pleased to invite you to participate in this year's 17th Annual South Allison Hill Multicultural Festival. This event is a celebration of the cultural diversity in our neighborhood, an opportunity to build neighborhood pride, and a venue to increase positive connections between residents, businesses, social service providers and government entities. This year's event will be held on Saturday, May 11th, 2019. Please contact Jarvis at jbrown@cactricounty.org for more information about how you can participate in this event or go to <http://www.cactricounty.org/south-allison-hill-multicultural-festival/> to register as a food vendor/vendor, or stage performer.

Become a part of the solution and help keep our neighborhoods clean. Stop the Drop is about making sure our litter gets dropped in the trash can and not on the ground. You can help by turning your regular trash can into a public trash can in three easy steps. First, we tell you about the program and get you signed up at no cost. Second, we change the lid on your city-issued trash can for one of the orange lids. Third, you leave your trash can in front of your house and now it is available for public use. Your trash gets emptied on your regular trash day.

Please contact Jarvis for more information @232-9757 ext 121 or jbrown@cactricounty.org or www.stopthedrophbg.com
