**Tri County Community Action to Host 8K in Memory of Kathy Possinger**

**(Harrisburg, August 23, 2022)** Tri County Community Action (TCCA) will host an “8K Fun Run/Walk for Kathy” event on October 8, 2022, beginning at 8:30 a.m. and will be held at HACC’s Harrisburg Campus, located at One HACC Drive, Harrisburg.

In October 2021, we lost a community leader and dear friend, Kathy Possinger.

Kathy served as Executive Director at TCCA from 2010 to 2015. She led the agency through a significant transition and placed it on a path for growth. Even after leaving, she remained connected and continued to be a champion for TCCA.

Kathy’s commitment goes beyond her work life, and anyone who was lucky enough to have known her knew the words “Helping People and Changing Lives” were not a tagline for Kathy – they were how she lived every moment of her life.

We honor Kathy's legacy by holding an 8K in her name. Funds raised through this event will go toward building strong families and thriving communities in Cumberland, Dauphin, and Perry Counties.

The 8K for Kathy is a superhero-themed 8K and will consist of a 1K course where participants can run or walk up to 8 laps. There will be activities for children, live music, and Farm Show milkshakes. Prizes will be awarded to participants in various categories, including a costume contest.

Ticket prices are \$35 for adults, \$20 for children 6-12 years of age, and children under 5 can attend for free.

For more information, including sponsorships and registration, please visit:

**About Tri County Community Action**

*Tri County Community Action, part of America’s Poverty Fighting Network, has been helping people and changing lives throughout Cumberland, Dauphin, and Perry Counties for over 50 years as a private, nonprofit, community development agency. Offering a comprehensive approach to individual, family, and neighborhood success, Tri County Community Action provides a myriad of programming – budgeting, parenting, and financial literacy education, as well as enhanced supportive services, such as child development, case management, and community revitalization – all in an effort to support families, strengthen communities and eliminate poverty throughout the Capital Region.*
