## **Introduction**

The Great Harrisburg Litter Cleanup is brought to you by Tri County Community Action, an affiliate organization for Keep Harrisburg Beautiful.

Our goal is to come together as a community to make Harrisburg a cleaner and safer place to live, work, and play. We believe effective and sustainable change starts and ends with the involvement of the entire community, which is why we need your help.

Tri County Community Action has been helping people and changing lives throughout Cumberland, Dauphin, and Perry Counties for over 50 years. Offering a comprehensive approach to individual, family, and neighborhood success, Tri County Community Action provides a myriad of programming and initiatives around early childhood and family development; employment, education, and financial empowerment; housing security; and community development - all to create strong families and thriving communities.

Tri County Community Action's promise is to care about the entire community and acknowledges that even today, structural inequities leave some behind. Tri County Community Action believes that lifting diversity, equity, and inclusion and standing against hate is core to combating those structural inequities, making all communities a better place to live.
